

Bridging the Gap: A Project for Equitable Pandemic Planning and COVID-19 Access for people with Intellectual and Developmental Disabilities (IDD)

WHAT: Watch online training videos to understand COVID-19's impact on those with IDD. Project reviews health equity, post-COVID life, rights in care and community, pandemic challenges, planning tips, and accessing Colorado's Disability Support System: <https://thinkchange.training/bridging-gap-project/>

WHO: Open to people with IDD, their families, friends, caregivers, professionals, and IDD support providers.

HOW: Convenient online learning you can watch at your pace and on your own time.

WHEN: Anytime between now and Friday, September 29th, 5:00pm MST.

If you're a Colorado resident, a person with IDD, or connected as a family member, friend, caregiver, IDD professional, or support provider, and you're among the first 100 participants to complete the follow-up survey below, you could have the opportunity to earn up to \$100 in gift cards.
